

NEWSLETTER - Term 1 September 2017

Welcome to our new children and families and welcome back to our existing children and families. We hope you have had a lovely summer break and are now ready for the busy term ahead. We are looking forward to getting to know all of the new children and seeing our friends after the summer break.

Key people are assigned to the new children a week after they start. This is to ensure there is a natural bond with their Key Person. During this time please speak to Debbie and/or Sufia regarding your child if required. A list of the children's names and their assigned Key Person will appear in the foyer very soon.

This term our theme will be All About Me. This theme helps us to get to know the children and their families. If you have any photographs you would be happy to share with us we would love to see them.

Please follow us on Facebook, Twitter and visit our website. We often post photographs, regular updates and information on these sites.

Raffle

We are currently gathering great prizes for a Prize draw. Tickets will be sold very soon. Please look out for the posters with details of prizes.

Royal Tunbridge Wells in Bloom

We hear the results of this competition very soon.

Family Involvement

We welcome parents/grandparents/carers to come in to pre-school, and spend time with the children. It may be doing a craft or other activity, reading stories or even just getting involved in role play. Please speak to Debbie if you have an hour or so to spare, and would like to come in and join us.

Fundraising

Last term's fundraising enabled us to make a few improvements to the garden. The green matting has been levelled in areas plus a new role play shop and mark making resources have been bought. As a charity, our fundraising activities are a vital way of improving resources. Therefore, we will be selling raffle tickets for our Prize Draw at the start of term. Thank you for your support!

Wine, Cheese & Beer Evening

Thurs 28th
September, 8pm
at Pre-school.

Come and meet other parents and the team over a glass of something.

Eco News

Sue has done some great work in the garden this year, and some fab activities with the children, including What's Under Your Feet, planting and bug hunting. The children have had lettuces, blueberries and strawberries, which they have helped to grow. We now have a small pond and a hedgehog house.

Please notify us if you change your mobile number, email or you move, and please name your child's belongings.
